Course information

Graduate Diploma of Applied Pharmacy Practice (10373NAT)

The qualification is recognised throughout Australia and is focused on both experienced and early career pharmacists who wish to develop their skills and knowledge to undertake leadership and management roles. In these roles they are required to research, design and generate innovations, lead practice change, develop and execute strategic business plans and provide leadership within highly varied or specialised pharmacy contexts.
Benefits of the course

Successful completion of the 10373NAT Graduate Diploma of Applied Pharmacy Practice will provide you with a recognised qualification. The advanced skills developed from this course may lead to career progression as a manager.

Gain a competitive edge by developing advanced skills in relation to:

- Managing ethical issues in pharmacy practice.
- Innovation skills for new professional practice.
- Research skills to investigate new professional practice.
- Strategic planning skills and planning for sustainability.
- Leadership and change management in a pharmacy context.
- Communication and cultural competence in diverse organisations.

Earn credits towards your continuing professional development (CPD)

For further details about CPD credits for each unit, refer to Tables 1 and 2 under ‘Course content’.

You can enrol and commence your studies at any time

Study at your own pace and complete units when it suits you.

Enrol into individual unit/s

PSA understands that some students are not able to commit to a full qualification or have specific professional development needs. We offer the flexibility of being able to enrol into individual units to align with your continuing professional development plan.

Future study opportunities

Successful graduates of the full qualification can enrol and receive credit points towards a Chifley Business School postgraduate program including a Master of Business Administration (MBA).

All Students are supported by Training Officers

PSA Training Officers regularly contact students to discuss progress and any issues.

Course aim

On completion of this course the candidate will be able to:

- Manage complex and sensitive situations ethically from a pharmacy perspective in a complex multi-faceted health system.
- Provide leadership in pharmacy practice or the profession including in community, hospital, residential care facility and general practice settings.
- Plan, design, manage and evaluate the provision of a professional service that caters for the needs of patients that include their health issues, counselling needs and referral to other health professionals.
• Provide health education for individuals and the whole community, including the methods for preventing and controlling these problems. They will also collaborate with members of a health care team in the delivery of primary care services.

• Take a lead role in ensuring practical, quality medication management for consumers.

**Course overview**

10373NAT Graduate Diploma of Applied Pharmacy Practice includes core units which focus specifically on the application of management skills in pharmacy practice. In addition to management skills, additional core units have a focus on developing communication, leadership and research skills in the pharmacy context. The choice of elective units allows for specialised skills in different aspects of management.

Candidate assessment tasks will be flexible to meet workplace and individual needs.

**Course content**

The Graduate Diploma of Applied Pharmacy Practice contains 11 units: 9 core units and 2 elective units.

</table>
TAELED703A Implement improved learning practice

- On completion of this unit you will be able to develop the skills and knowledge required to initiate and implement advanced learning practice that supports the improvement of learning strategies in an organisational context.
- You will also be able to evaluate ways to improve learning practice, manage and monitor means to improve learning, and analyse and advance adoption of improved learning practice.

This activity has been accredited for 9.5 hours of Group 2 CPD (or 19 CPD credits) suitable for inclusion in an individual pharmacist’s CPD plan. CV16LED703

*These units require additional textbooks. The course enrolment fee does not include the price of the textbooks; a list will be sent with your enrolment acknowledgement.

Length of the course

The course is conducted over approximately a two year period for part-time study but can be completed in a shorter or longer time period. Individual units are stand alone and can be taken one at a time if this suits your needs. It is estimated that study and learning requirements will be approximately 20 hours per month, including completion of assessments but you can spread your studies over a number of months to reduce this time commitment. Students can apply for recognition of prior learning which may reduce the time required to complete the course.

Course fees and payment terms

You may enrol into the full course or select individual units to support your continuing professional development plan.

Full qualification enrolment for a PSA member (9 core units and 2 elective units): $5,250
Full qualification enrolment for a non-member (9 core units and 2 elective units): $8,400

All course fees are GST free.

PSA has flexible payment options:
- Single payment for full qualification enrolment or selected unit(s).
- Pay by instalments option available to PSA members for full qualification enrolment fees:
  - Four quarterly instalments of $1,312.50
  - Twelve monthly instalments of $437.50.

For more detailed information regarding our fees and payment options, please refer to the PSA website or contact a Training Officer in your local PSA office: 1300 369 772.

### Eligibility

Candidates must hold a Bachelor of Pharmacy or an equivalent or higher pharmacy qualification recognised in Australia; be employed in a pharmacy industry context; and be eligible to register with the Pharmacy Board of Australia under the requirements of the Australian Health Practitioner Regulation Agency.

### Language, literacy and numeracy

If you are concerned about your skills in this area, contact the PSA and we will provide you with contact details for appropriate courses.
Refund policy

All refunds must be requested in writing to the PSA with name, address, contact details, course details, date and reason for requesting a refund. Course fees are non-transferable.

Students who are entitled to VET FEE-HELP/VET Student Loan

This applies to entitled students even if they choose not to access VET FEE-HELP/VET Student Loan assistance.

To be entitled to VET FEE-HELP/VET Student Loan assistance a person must be an Australian citizen or the holder of a permanent humanitarian visa who will be resident in Australia for the duration of their VET units of study.

PSA will repay to a student who is, or would be, entitled to VET FEE-HELP/VET Student Loan assistance any VET tuition fees that he or she may have paid for a VET Unit of study if the student withdraws from that unit on or before the relevant census date.

This does not apply where VET tuition assurance arrangements have been activated and the student has elected the VET course assurance option for that unit.

Where a student withdraws from a VET unit of study after the relevant census date, any refund of VET tuition fees paid upfront is at the discretion of the PSA but will not be granted for the following circumstances:

- Change of domicile
- Change of workplace
- Competing demands preventing study
- Change of intent to study
- Change of vocation or industry

All refunds must be requested in writing to the PSA with name, address, contact details, course details, date and reason for requesting a refund. If the withdrawal is on medical grounds and a refund is requested medical certificates should be presented with the request.

Students not entitled to VET FEE-HELP/VET Student Loan

PSA will repay any enrolment fees that the student may have paid for a vocational and educational training (VET) course or VET unit(s) of competency if the student withdraws from that course/unit(s) within 14 days from the enrolment date.

Where a student withdraws from a VET unit of study after access to course materials either online or print based any refund of VET tuition fees paid upfront is at the discretion of the PSA but will not be granted for the following circumstances:

- Change of domicile
- Change of workplace
- Competing demands preventing study
- Change of intent to study
- Change of vocation or industry

All refunds must be requested in writing to the PSA with name, address, contact details, course details, date and reason for requesting a refund. If the withdrawal is on medical grounds and a refund is requested medical certificates should be presented with the request.

**Enrolment process**

You can enrol at any time. Complete the enrolment form and send to the PSA along with your payment. Once your enrolment and payment is processed, you will receive initial course materials along with a confirmation letter outlining your study schedule.

**Recognition of prior learning and mutual obligation**

Recognition of prior learning (RPL) is a process by which a prospective student can demonstrate knowledge and competencies currently held, as a result of past experience or training, and through this, possibly gain credit towards a qualification.

If you wish to be considered for RPL you must contact the PSA, who will consider your application. If it is decided to progress with RPL you will be advised of the associated fee and matched with an appropriate trainer who will provide details of the evidence required.

As a Registered Training Organisation (RTO), the PSA also has a Mutual Recognition Policy, which means that we will accept credentials issued by any other RTO in any State/Territory of Australia. If you can demonstrate that you have completed, or partially completed, relevant certificates or units of competency through another RTO, the PSA will recognise and grant credit for all relevant prior learning encompassed in these.

**Access, equity and privacy**

The PSA and its employees embrace the principles of Work Health and Safety and strive to ensure that all potential and current students receive access and equity into all organised courses. In regard to training courses for which it is responsible, the PSA strives to ensure that any person who meets the entrance criteria has appropriate access to resources to achieve a positive outcome.

The PSA is an equal opportunity organisation and encourages people with disabilities to access government funded training. We also respect an individual’s right to privacy and will meet all requirements of the Privacy Legislation when dealing with student information and records.
Privacy

We respect an individual’s right to privacy and will meet all requirements of the Privacy Act 2008 and Australian Privacy Principles when dealing with student information and records. Records are kept securely with restricted access to relevant PSA personnel only.

How do I access my student record?

If you wish to access your student record after completion of the course/unit(s) you must request this in writing to the PSA.

For full details on how PSA collects, stores, corrects and uses personal information, please refer to the PSA Policies at: www.psa.org.au

Welfare services

Some students may be eligible for the Pensioner Education Supplement while undertaking this course. Please contact Centrelink for further information on 13 24 90.

What happens if I have problems while undertaking the course?

If you have any problems or concerns while undertaking the course, your first point of contact is the course trainer. If you require further assistance please contact the PSA.

What happens if I am judged to be ‘not yet competent’ in the assessment?

Firstly, the assessor will discuss this with you in detail and you will be given an opportunity to resubmit the assessment. This may require you to review course notes, undertake further research and discuss the marker/assessor’s comments with your mentor or peers.

Disciplinary procedures

Your assessment portfolio will have a date/s by which it must be completed and returned for assessment. You may extend this period if required, however, you must notify the PSA, as assessments returned late without official extension may incur a penalty. In special circumstances consideration will be given regarding extensions and any other appropriate adjustments discussed.

All content provided in your projects, assignments and assessment tasks must be your own work. It should be understood, the PSA cannot accept or assess any work submitted which has been plagiarised.
Appeals and complaints

We encourage individuals to discuss any problems they may have with their local PSA Training Coordinator. These informal discussions are seen as an opportunity to improve the course. If the issues are not resolved satisfactorily then a formal complaint or appeal can be made. Formal complaints must be made in writing.

The PSA Appeals and Complaints form is available for download on our website or you may like to contact us for more information.

In the event an appeal or complaint cannot be resolved, you may contact consumer affairs in your local state for further advice www.consumerlaw.gov.au
