

Intern Pharmacist Positions Database 2010

This table is a list of available intern positions as provided to the PSA Coordinator from community or industry sources. It does not represent all positions that may be available. Hospital positions are advertised at a different website (www.shpa.org.au) All correspondence regarding the position should be initially directed towards the contact person listed. No endorsement of the suitability of these sites for intern training is implied by listing in this table, and interns are encouraged to look carefully at any pharmacy in respect to suitability for their training needs.
