

## Costs associated with the PSA Stage Two Accreditation Assessment Process

**Application fee** – this is the cost of enrolling into the program:

- General fee (PSA Professional Plus Member) - **\$915.00**.  
Non-PSA Professional Plus member rate – **\$1620.00**.  
You must lodge your application within three years of completing your Stage One (preparatory) Course. This includes your annual fee.

**Other costs:**

- Third attempt at the Clinical MCQ assessment - **\$115.00**
- Release of new case study (after two unsuccessful attempts at any of the case studies) - **\$110.00**
- Appealing a marker's decision regarding the assessment of a case study (see the PSA's *Appeals Policy*) - **\$130.00**

**Accreditation fee** – PSA has decided to waive the accreditation fee for members.

**Reaccreditation fee** - PSA has decided to remove the reaccreditation fee for members.

**Stage One** – Member cost \$550. Non-Member cost \$846
